HARD WORK AND GREAT MEMORIES: YOUTH MISSION TRIP ESSENTIALS

A summer highlight for many of our students here at Edgington has become the annual youth mission trip. We are in our third year of serving with Group Workcamps, a national organization that provides all the logistical support so that youth and their leaders can enjoy a great experience together. For the past two years that is exactly what we have enjoyed! In 2016 we served in Brownsville, TN, and then in Dahlonga, GA last summer. This year we are heading to a new location with some students who have served before, and a few first timers.

On Friday, July 14th, we'll pack up and head north on our 600+ mile journey to Red Lake, MN. Our first stop will actually be a couple hours south of that in Sartell, MN where we'll spend the night at one of the churches in our presbytery - Riverside Community Church. Then, on Saturday morning, we'll check into the local school where we'll stay for the week, which also serves as the main base of operation.

The community of Red Lake is actually an Indian Reservation of the Chippewa Tribe. It is the largest and only closed Indian reservation in the state of Minnesota. They primarily speak the *Ojibew* language. Thankfully, Group Workcamps has a longstanding relationship with the tribe, and they certainly welcome all of the support they receive from these workcamps. 40% of this community's residents fall below the poverty level with over 60% unemployment. There will be plenty of opportunities for our service.

There will be over 30 different work sites where residents who are in need will receive our help as an expression of Jesus' love and compassion. Work projects typically include things like: building wheelchair ramps and handrails, weatherizing homes and trailers, reconstructing sagging porches, painting projects, interior and exterior carpentry, and other home repair projects that the homeowner cannot otherwise complete. The youth will work each day on the same worksite, giving them time to not only complete their projects, but also develop meaningful relationships with their resident and fellow workers.

The work crews are a special part of the trip. Participants are split up on six-person work crews for the work portion each day. In most cases, this is one adult and five youth, each person from a different church. When students are mixed up in their work crews it encourages them to develop social and leadership skills, make new friends, and grow closer with their resident and their own youth group.

For all 2018 camps, Group has selected "GRIT" as the theme. Each day students will have time in large group morning worship, work crew afternoon devotions, and evening programs that will unpack the relationship that Jesus had with Peter; calling him toward a stronger, more enduring faith and focus - as Group is calling it - Spiritual Grit. Each day has a theme and a passage to study: Risk ([Lk 5:1-11](#)); Courage ([Mt 14:22-33](#)); Forgiveness ([Mt 18:21-35](#)); Trust ([Jn 6:60-69](#)); Surrender ([Jn 18:1-11](#)); Love ([Jn 21:1-17](#)). The week promises both hard work and spiritual growth.

This year we are welcoming back a few veterans of the workcamp experience as well as some new students. Youth include: Nathan Flickinger, Jim Johnson, Colby Mueller, Maddie Mueller, Kira Nelson, Laina Nelson, Cade Reimers, and Logan Wistedt. Every one of them have expressed excitement about meeting new people, serving together, and having a great experience making lots of memories.

So, from July 14 - 21 please remember us in prayer for safety, hearts of service, and a wonderful time together. We can't wait to share our experience once we come back.

Ministries

New things are being added to the website regularly! A new "Ministries" tab was added in May with drop down boxes of "Missions - Core Commitments" and "Missions Outreach". If ever you are wanting more information about the ministries your tithes are helping to support, please go to the Missions Outreach page and click on the links to each individual ministry to visit their websites. The "New Here" tab is also up with basic pertinent info for a new comer and links to more detail. Slowly, but surely it is growing, and I especially look forward to the day when the media page is available! This will contain the audio file of each Sunday's sermon to listen to. We aren't there quite yet, but getting close! This will, prayerfully, be a blessing to all of you here, and to everyone out there trying to check us out. Please check it regularly to see how it grows and check classes, ministry updates, sermons, etc. edgingtonepc.org

You will continue to see Missy Myers at various meetings and other gatherings taking photos for the new site. Please continue to worship and participate in your classes/meetings as if she is not there so her shots look as natural as possible.

- Date for tree removal has been changed to April 14th.

TREES COMING DOWN - NEW DATE SET!

Saturday, June 9th at 9:30am

June 9th has been set up for a tree company to take down the pin oak trees. No chipping will be done. Instead, Bob Stegmiller will haul away all material that we don't want. The tree service will grind down the stumps, but only if we pull away the landscaping rock that is close to the stumps. When you come to help and gather wood, please bring tools like pickaxes and hard rakes or hoes that could be used to pull away the landscaping rock. Lunch will be provided from The Rocket Stop to those here to help.

MISSION COMMITTEE

The Mission Committee met on April 17th, 2018 at 6:30pm in the basement of the church. Those attending were Barb Freyermuth, Deb Wagamon, Jim Cooksey, Mary Ann Vroman, Mic Penry, Nancy Engstrom, Paige Schmidt, and Todd Stegmiller

Barb opened the meeting with prayer.

Old Business:

- The minutes of the last meeting were read. The donation to CEF was corrected to read \$45.57 and minutes were approved.
- The Committee discussed the visit to Youth Hope MAD. It was determined this visit would occur on May 2, 2018
- A discussion was held concerning the presentation from Human Trafficking. Jim Cooksey spoke with Rebecca as to how we could assist. Though they could use funding, we felt we were working in other areas to assist their cause. The group discussed how our work with Youth Hope, VBS, and Sunday school offers our children dedicated individuals they may reach out to; decreasing the possibilities these children could become victims. We talked about putting together some documentation on "signs" to watch for that might be of help to our teachers and counselors. Paige will be attending a class this month and will report back to the committee. After great discussion, the committee decided to table this topic as we seek understanding in how this issue fits into our mission.

New Business:

- Mic and Zach attended a banquet sponsored by Pregnancy Resources with locations in Moline, IL and Davenport, IA. This organization offers education and training for both mother and father on child care, they assist with financial aid, physicians, maternity housing, provide clothing, and testing for young mothers. This is a Christian organization and beyond the immediate care, they share the Word of God. Mic will ask Liz Ryan, of Pregnancy Resources, to attend our May or June meeting, so the committee may understand how we can partner to support their needs.
- We discussed the commitments we have made for Q2:
 - Steve Woodworth \$1,750
 - Burdsall Family \$1,500
 - Ed McCallum \$1,500
 - Youth Hope Program \$1,500
 - MAD Program \$ 500
- These commitments were approved by the committee.
- A donation of \$1200.00 was approved for Marion Medical Mission who partner with African churches to provide safe drinking water while educating the poor in how they can continue to support themselves
- Christian Care of Rock Island offers shelter, support, and resources to those who are homeless. We discussed this mission and agreed we could sponsor a Men's Clothing Drive. Todd will contact Christian Care for more information.
- The committee discussed the needs of Tom/Phyllis Bassett (France), Pregnancy Resources, Mission Aviation (provides aviation, communication and technology to Christian and Humanitarian agencies), and Scott Burdsall. It was suggested we could realign our commitment to Ed/Nancy McCallum to make additional funds available. This discussion was tabled and will be addressed at our next meeting.
- Minutes for Mission – the committee determined we are not yet ready to address MAD until after our visit on May 2. Therefore, we will present information on the Marion Medical Mission this Sunday (April 22). Paige volunteered to present this topic to our congregation.
- A special prayer request from Youth Hope was passed to all members.

MISSION COMMITTEE *Cont. from p. 5*

The Committee closed the meeting in prayer for the success of all missions discussed. A special prayer was offered for Andrew Brunson.

The meeting was adjourned at 7:40pm.

Our next meeting will be held on May 15th, 2018 at 6:30pm.

Pastor Andrew's Trial was postponed *again* until July. He has now been unjustly imprisoned for over 600 days.

Pray for Pastor Andrew Brunson!

WINNIE'S PLACE

Women In Need - Nurtured Into Excellence

"I feel our case management program is very unique because it is centered on the client's needs. We do not create a one size fits all action plan." - Pauline Gordon, Shelter Supervisor.

All clients at Winnie's Place must meet three goals to stay in the program. "Clients are expected to follow all the rules and policies we have in place, secure some source of income, and, once secured, save as much as possible, and search for housing," Pauline explains. "The rest of the case management is up to them."

The client is given a packet of information with forms to fill out and return within 24 hours of intake. "We ask them to identify immediate needs, reflect on their situation, and write in their own words what's going on," Pauline says. "Often, it is not one single event that leads someone to homelessness."

If the client has no family, Winnie's staff works to link her up with potential support systems. "This could be church, parenting groups, co-workers, or volunteer opportunities," Pauline says.

More than 14 million youth will attend summer camp this year. It is estimated less than 10% will be from low-income families. We change these statistics! This summer more than 98% of the kids and teens attending Camp Summit will be from low-income households. We believe kids who come from tough home situations this summer will have one of the most impactful experiences of their lives at Camp Summit. After 17 seasons of camp, we know Camp Summit is life changing for youth.

Kids are removed from their normal, urban environment and provided with an opportunity to break from technology, build healthy relationships, eat three healthy meals daily, and experience pure joy - all while experiencing God's love for them!

Camp is a powerful tool to help hurting and lost youth find Hope!

- Mark Drake, Executive Director

Specific prayer requests:

1. TWO Summer Camp Counselors are still needed (1 male, 1 female). Please pray God provides passionate young adults to do His Will at Camp Summit this summer.
2. Please pray for campers who will attend this summer; their hearts to be prepared to receive God's word.
3. Our students B, T, and S are each dealing with very difficult life issues. Pray for deliverance, wisdom beyond their years, and spiritual, mental and emotional healing. Please join us in prayers of protection and breakthrough for each of these girls.
4. Please pray for our teen girls. Please pray against their feelings of abandonment, rejection, shame, and guilt.
5. Please join us in praying in Camp Summit sponsorships for ALL the youth in-need this summer!
6. Continued hedge of protection around each youth center, Camp Summit and all YouthHope vehicles.
7. Please pray for our Rock Island Youth Specialist, Austin, as he is getting married and moving on. Please pray for the new staff person God has lined up to take over this position.
8. Please pray for our intern Olivia, who will be filling in this summer while I am on maternity leave. (She is such a blessing!)
9. Please pray for the Moline Children's Assistant position - for divine intervention and appointment.
10. Our Creative Director, Chris, will be leaving for Israel on Monday. Please pray for safe travels and God to impact him greatly while he is there. Prayers for his wife and 3 girls while he is gone.

CHILDREN'S SUNDAY SCHOOL

May 2, 2018

Zach opened the meeting in prayer.

In attendance were Zach Hopkins, Mic Penry, Tara Johnson, Kathy Stegmiller, Katie Pearson, Hillary Terrill, Kortney Gierlus, and Beth Flickinger.

All teachers shared what had been going on in their classes.

We planned for the summer session, which will run from June 3 – Sept 2.

- We agreed to have a 1-room Sunday school format, and divide out into older and younger, depending on attendance. We will include toddlers through 5th grade, with the Jr High and High School students being invited to serve as helpers or attend adult Sunday school class.
- We decided to study Kids Quest Catechism Volume 1, which teaches the first 57 questions of the Children's catechism, and to incorporate singing and to color cards for shut-ins, etc.
- Teachers signed up to lead each week, and we will seek helper volunteers from the congregation.

We did initial planning for our late summer and fall events.

- The Fishing Derby and Back to School event will be Aug 26 at the Terrill pond.
- The fall cookout and hayrack ride will be held at the church on Oct 7.

We will meet again in early August to confirm curriculum for fall, class age breakouts, and teacher assignments.

Zach closed the meeting in prayer, and refreshments were provided by Kathy.

NEED A HAND OR ENCOURAGEMENT? ASK A DEACON!

The Deacons' charge is to care for the church body. You may already know that we provide delicious treats to celebrate new members, collect coats for those in need, and organize blood drives.

But did you now that we are ready to serve in other ways, too?

Here are some of the ways a Deacon can help out:

- Visit shut-ins (including those who are temporarily unable to make it to worship) to provide cheer and recordings of the sermon
- Deliver meals to those who are injured, ill, or have experienced a loss
- Visit widows(ers) to comfort and provide company
- Send cards to recognize milestone birthdays and anniversaries, and express condolences
- Organize transportation to doctor's appointments (please give advance notice)

If you or someone you know could benefit in one of these areas, please let a Deacon know right away. We try to anticipate needs, but we are only human!

The 2018 Deacon team includes Scott & Cindy Cullen, Norman & Janet Dunlap, Beth Flickinger, Amy Oak, Cora Shafman, & Peggy Shovar.

SCRIPTURE LINKS

Blueletterbible.org has many wonderful tools on their website. For instance: under the "Tools" tab to the left of each scripture verse. Click on that tab and you are taken to the Strong's Concordance link for each word in the verse. Click on that link, and you see the transliteration, pronunciation, part of speech, root word, dictionary aids, outline of Biblical usage, and much more. I pray you are finding these links to be a helpful aid and resource in your study of God's Word.

All of Scripture is the unfolding story of salvation and Jesus is its focus. We show how Jesus, revealed throughout the Bible, came to seek and save the lost.

We look forward to the privilege of caring for and teaching your children about Jesus each Sunday!

Welcome

While their faces may already be familiar, we rejoice in officially welcoming our newest members into the Edgington EPC family! Darren and Tonya Hall are the only two not already pictured and listed in the 2016 directory. Please add their information to yours, so you can contact them when necessary.

2018 VBS PLANNING MEETING

Sunday, June 24th at 12:30pm

We are busy planning for our VBS this summer July 23rd - July 27th. Our theme is Shipwrecked....Rescued by Jesus. We are developing our survival skills to make it through the week, and we hope that includes you! Our leaders are in place, but there are areas where we still need more helpers.

Areas of need:

- **Helper for games** - 9:30 - 11:30 each morning
- **Craft Helpers** - 9:30 - 11:30 each morning
- **Kitchen Helpers** - Any part of any day that you are available, but especially 8:30 - 10:30 each morning to assemble morning snack
- **Set-Up Committee** - Load up supplies after church service on July 22nd, then unload at camp, and set up tables and chairs
- **Clean-Up Committee** - Come in Friday, July 27th about 3pm to clean areas at camp we have used, load up our supplies, and return to church
- **Jr. High Helpers** - Full or part-time, to move with Jr. H. group, assist with shooting BB guns 11:30am-3:30pm on 2 days, or archery for approximately 2 hours on 2 afternoons. Must be able to stand the heat and walk from place to place
- **Amazing Race Helpers** - On Friday from 3-5:30pm

Online registration went well, but fast. We were full in 2-1/2 hours! The committee has graciously reserved spots for 221 kids. We currently have over 50 H.S./College age youth signed up as counselors. We still have room for more counselors if you want to sign up, but we ask that you do so very soon by going to the website vbspro.events/p/rrvbs and registering.

This community outreach takes **MANY** hands, **MUCH** work, and **LOTS** of planning! We could use your help! Please look for ways to be involved and contact Kathy Stegmiller at 795-1774 for more info.

THANK YOU!!!
